## WE HAD AN AWESOME RECITAL!

- On June 10, at 2 PM, seventeen students performed at the Maestro Musicians Academy Spring recital. Young pianists, violinists, singers, and a cellist were featured. We learned that it is time for our school to now support TWO recitals, since the concert lasted two hours!

- Parents, it is a real pleasure for us as educators and mentors, to see your children grow as expressive musicians and human beings.

- Each child had a unique song to share and did so wonderfully in their own way.

## Teacher of the Month - Julia Chung

### 1. What do you like most about teaching?

Teaching is a very special interaction that enables me to transfer what I have learned in my entire life to students.

### 2. How do you inspire your students to practice more?

I try to help students feel for themselves how much they have improved after they practice.

### 3. What part do you feel that the recital experience plays in a student's development?

I believe that recitals are very helpful for students' musical development. Students have a chance to play the pieces they have practiced for a certain period in front of a real audience.

### 4. What is your favorite type of music?

Classical piano. Recently I also got interested in K-pop music.

### 5. Where Else do You Play?

I am a keyboardist at The Boston Onnuri Church and an accompanist of other instruments.
